Subject: Approval of EASA MPM supplement re: **AMO#64-98**

Dear Sir:

Following a review of the elements contained in the referenced MPM supplement against the requirements of the current Agreement on Civil Aviation Safety between Canada and the European Union (EU), Transport Canada hereby confirms approval of your MPM supplement. This supplement approval allows for acceptance by the European Aviation Safety Agency (EASA) of maintenance performed on EU aeronautical products subject to compliance with CAR 573 and the EASA special conditions as detailed in the Maintenance Annex Guidance (MAG - Revision 2 - 01.11.2018) . This Approval does not exceed the scope of your current TCCA CAR 573 certificate.

Toronto Aviation Rewinds Inc. EASA Part-145 Approval Reference number:
EASA.145.7206 - valid until surrender or suspended

Your MPM supplement reference: MPM Supplement dated March 15, 2019 is hereby approved by Transport Canada.

Yours truly,

Mel Bushby
